### Get Listed in Our 2009 Digital Catalog Resource Directory!

Here at Heirloom Hourglass, the world's only fillable hourglasses are handcrafted for use around the world in Wedding Unity Ceremonies, and as gifts for every occasion. Our 2009 Digital Catalog showcases our products, couples who have used them, and it provides valuable wedding planning and gift giving information. This catalog is a state of the art digital, page flipping publication that can be accessed on the home page of our website, [www.heirloomhourglass.com](http://www.heirloomhourglass.com). It is a part of all of our advertising, sales, and marketing efforts. Shoppers are visiting this catalog and emailing it to their friends and families everyday – they make purchases for Weddings, Vow Renewals, Anniversaries, Honeymoons, Travel Keepsakes, and Gifts for all events and occasions. Place your listing in the Resource Directory section of our catalog today to gain valuable exposure to these shoppers!

Your ad will run in the Resource Directory of our annual publication for a full year. The listing we place for you will be both attractive and highly functional. Include your logo, business contact information, and a description of your products and services, as well as the areas you serve. You get one-way links to your website, your email, myspace and facebook business pages, and video, audio, or other media files to help you attract and convert sales. You can also be listed across multiple Featured Areas of service in our Resource Directory at no additional cost.
